

SHOHEI MORI, D.Eng

Independent Junior Research Group Leader, VISUS & EXC IntCDC, Uni. of Stuttgart
Faculty Member, International Max Planck Research School for Intelligent Systems
Guest Associate Professor (Global), Keio University

E-mail: shohei.mori@visus.uni-stuttgart.de
Personal: https://mugichoko445.github.io/

EDUCATION

Doctor of Engineering — Apr. 2013 – Mar. 2016
Graduate School of Information Science and Engineering, Ritsumeikan University — Shiga, Japan

Master of Engineering — Apr. 2011 – Mar. 2013
Graduate School of Science and Engineering, Ritsumeikan University — Shiga, Japan

Bachelor of Engineering — Apr. 2007 – Mar. 2011
Ritsumeikan University — Shiga, Japan

ACADEMIC APPOINTMENTS

Independent Junior Research Group Leader, Mediated Reality Group — Sep. 2024 – Present
Supported by Alexander VISUS and Cluster of Excellence IntCDC, University of Stuttgart — Germany

Faculty Member — Aug. 2026 – Present
International Max Planck Research School for Intelligent Systems (IMPRS-IS) — Germany

Guest Associate Professor (Global) — Apr. 2024 – Present
Keio University — Japan

University Assistant, Postdoctoral Researcher — Oct. 2022 – Aug. 2024
ICG, Graz University of Technology — Austria

University Project Assistant, Postdoctoral Researcher — Oct. 2018 – Sep. 2022
ICG, Graz University of Technology — Austria

Guest Lecturer (Global) — Apr. 2021 – Mar. 2024
Keio University — Japan

Guest Researcher — Aug. 2017 – Sep. 2018
ICG, Graz University of Technology — Austria

Visiting Researcher (JSPS PD) — Apr. 2016 – Sep. 2018
Keio University — Japan

Research Fellow (JSPS DC-1) — Apr. 2013 – Mar. 2016
Ritsumeikan University — Japan

TEACHING

- **"Advanced Seminar - Image-Based & Neural Rendering,"** UniStuttgart (WS24)
- **"Real-Time Graphics,"** UniStuttgart, in collab. w/ D. Schmalstieg (SS25)
- **"Virtual Reality,"** TUGraz, in collab. w/ D. Schmalstieg (SS22) | C. Arth (SS23 & 24)
- **"Augmented Reality,"** TUGraz, in collab. w/ D. Kalkofen (WS18–21) | P. Roth (WS18 & 19) | A. Plopski (WS22 & 23)
- **"Research Seminar - Virtual Reality,"** TUGraz (WS22–SS24)
- **"Realtime Visualisation,"** FHSalzburg, in collab. w/ M. Tatzgern (WS20 – 23)
- **"Mixed Reality Technologies,"** FHSalzburg, in collab. w/ M. Tatzgern (SS25)

GRANTS

- **Exzellenzclusters 2120 IntCDC - AI and Imaging Methods** Participating Researcher (04.2026 – 06.2029), €284,790
- **Ritsumeikan Int. Collaborative Research Promotion Program (Startup) - Immersive 3D Spatial Editing for Large Workspace with a Stretchable Stylus and a Hand-held Canvas** Counterpart PI (04.2024 – 03.2025), ¥1M
- **FWF - Real-time Three-dimensional Diminished Reality - P33634** Co-Investigator (01.2021–12.2024), €407,116
- **Grant-in-Aid for Young Scientists (B) - 17K12729** Principal Investigator (04.2017–09.2018), ¥4.03M
- **Grant-in-Aid for JSPS Fellows (DC-1) - 13J09193** (04.2013–03.2016), ¥3.0M
- **Grant-in-Aid for JSPS Fellows (PD) 16J05114** Research Fellow (04.2016–09.2018), ¥4.42M

SERVICE

- **Program/Paper Co-chair** — IEEE VR (2026, 2027)
- **Assoc. Paper Co-chair** — IEEE ISMAR (2025)
- **IPC Member** — IEEE VR (2019–24), IEEE ISMAR (2020–24, 26), ACM VRST (2025–26), 3DWeb (2020), ICAT-EGVE (2017)
- **Student Volunteer Co-chair** — ACM CHI (2025)
- **DC Co-chair** — IEEE ISMAR (2020 & 23)
- **DC Mentor** — IEEE VR (2024, 25 & 26), IEEE ISMAR (2026)
- **Demo Co-chair** — IEEE ISMAR (2018)
- **Web Co-chair** — IEEE VR (2019)
- **Academic Journal Committee** — The Virtual Reality Society of Japan (2020–24)
- **Support Member** — ISO/IEC JTC 1/SC 24/WG 9 (AR continuum concepts and reference model) (2016–19), TrakMark (Benchmark test schemes for AR/MR geometric registration and tracking methods) (2015 & 16)
- **Peer-review (Journal)** — IEEE TVCG (2018, 2020–24), IEEE CG&A (2020), IEEE TIM (2020), IEEE TOM (2016, 21, & 22), Springer Virtual Reality (2023 & 24), Int. J. of HCI (2025), etc.
- **Peer-review (Conference)** — IEEE VR (2018–23), IEEE ISMAR (2017–23), ACM CHI (2020 & 23), IEEE InfoVis (2020), ACM VRST (2019), AH (2019), ICAT-EGVE (2019), ACM 3DWeb (2020), APMAR (2018 & 19), etc.

SKILLS

- **Languages**: Japanese (Native), English (TOEIC: 830), German (A2-level)
- **Programming**: C++, OpenGL/GLSL, Python, PyTorch, C# (Unity), R
- **National Examination**: Applied Information Technology Engineer, Fundamental Information Technology Engineer

AWARDS AND SCHOLARSHIPS

- **Best Paper Award** — SIG-MR (2025), IEEE ISMAR (2021, 2023), IEEE VR (2022), IIEEJ (2022), JSCAS (2022), IEEE Workshop KELVAR (2020)
- **Best Demo Award** — IEEE ISMAR (2015), Best Demo Nominee at IEEE VR (2026)
- **Best Presentation Award** — KJMR (2014, 2015)
- **Best Reading Group Award** — ICVSS (2016)
- **Dean Education Award** — Parents Assoc. of Student Edu. Assistance of Ritsumeikan Univ. (PASEAR) (2009)
- **Education Award** — PASEAR (2007, 2008)
- **Scholarship** — Ritsumeikan Univ. KENKYU-SHOREI Scholarship S, Prize Fellowship for the Doctoral Degree Students (For the JSPS DC1/DC2 achievers) (2013–16), Saionji Graduate School Encouragement Scholarship (For the top graduate) (2011), Saionji Ikuei Scholarship (For the top three high achievers) (2008–10)

KEYNOTE TALKS

- Shohei Mori, *XR Meets Radiance Fields*, EURASIP Summer School XRTX 2025 (2025.7.8)
- Shohei Mori, *Realityshop: World Through Mediated Reality*, Asia-Pacific Workshop on Mixed and Augmented Reality (APMAR) (2024.11.30)

TUTORIALS

- Shohei Mori, Ke Li, and Mana Masuda, *A Practical Guide to Radiance Fields for XR Research and Applications*, IEEE VR 2025 (2025.3.8)
- Shohei Mori and Richard Skarbez, *A Beginner's Guide to Neural Rendering*, IEEE ISMAR 2023 (2023.10.20)
- Denis Kalkofen, Shohei Mori, and Markus Tatzgern, *Rendering and Visualization in Mixed Reality*, EG 2021 (2021.5.4)
- Shohei Mori, *Diminished Reality Tutorial*, IEEE ISMAR 2014 (2014.9.9)

INVITED TALKS

- Shohei Mori, *How Far Can We Go for Diminished Reality Without Neural Networks?*, Workshop on Inpainting Techniques for Object Removal in Indoor Scenes (IEEE ISMAR 2022 Workshop) (2022.10.21)

The complete publication list is found on the personal page.
